

## **Michael Greene**

### **Enterprise Solution Architect – DoD (Air Force/Army) Team, Hewlett-Packard Enterprise**

Michael Greene is an Enterprise Solution Architect assigned to the DoD (Air Force/Army) Team, where he provides technical insight and develops out-come based solutions to support DoD's evolving global mission.

Prior to joining Hewlett Packard Enterprise, Michael spent 20+ years with the U.S. Air Force as a Cyber System Operator where he served in various cyber operator roles defending DoD's Global Information Grid.

Since joining HPE in 2018, Michael has been at the forefront providing complete technical solutions to Federal customers supporting a multitude of various mission sets.
